01

Brand foundation

Who Tezoro is, what it promises, and how it speaks.

THE IDEA

A treasure, *made to measure.*

Tezoro takes its name from *tesoro*, the word for treasure. It is a premium men's tailoring house and wedding atelier in Pothencode, built on one belief: no two men should leave in the same garment.

In a world of racks and repeats, Tezoro measures, cuts and finishes every piece for one man only. The identity is quiet, precise and confident, like a well-cut suit. It never shouts.

"

Every man deserves a look that is *his alone.*

THE TEZORO PROMISE

TAGLINE

Made for you, only you.

SHORT FORM

One man. One look.

PILLARS & PERSONALITY

What we stand for.

I

One man, one look

Every garment is cut for a single client. No duplicates, ever.

II

Crafted by hand

Premium cloth, precise measurement and expert finishing.

III

The wedding destination

A dedicated floor for grooms, families and celebrations.

IV

Time for you

A boutique pace: personal attention at every fitting.

PERSONALITY

Assured — *not loud*

Refined — *not stiff*

Personal — *not casual*

Celebratory — *not flashy*

TONE OF VOICE

Speak like a *master tailor.*

Calm, warm and exact. Short sentences. Address the client by name. Talk about fit, cloth and craft, never about discounts or stock. In Malayalam or English, the manner is the same: respectful and unhurried.

- Use “client”, not “customer”
- Use “fitting”, “cut”, “cloth”, “finish”
- No exclamation marks, no ALL CAPS
- Emoji only on Instagram stories, sparingly

WE SAY	WE DON’T SAY
“Your fitting is ready, Mr. Arun.”	~~“Hey! Ur order is done!!”~~
“Cut for you. Finished by hand.”	~~“Best quality, cheapest price!”~~
“Wedding season appointments are open.”	~~“HURRY! LIMITED OFFER!!!”~~
“Let us find the cloth that suits the day.”	~~“We have 1000+ designs in stock.”~~

02

Logo

A needle, a button and a T. The whole craft in one small mark.

THE SYMBOL

The needle *button.*

Three ideas in one solid shape, drawn to be stitched. Nothing in it is thinner than 0.5 mm at label size, so it embroiders, weaves and engraves cleanly.

1

The button

The ring is a tailor's button: the finishing touch on every Tezoro garment.

2

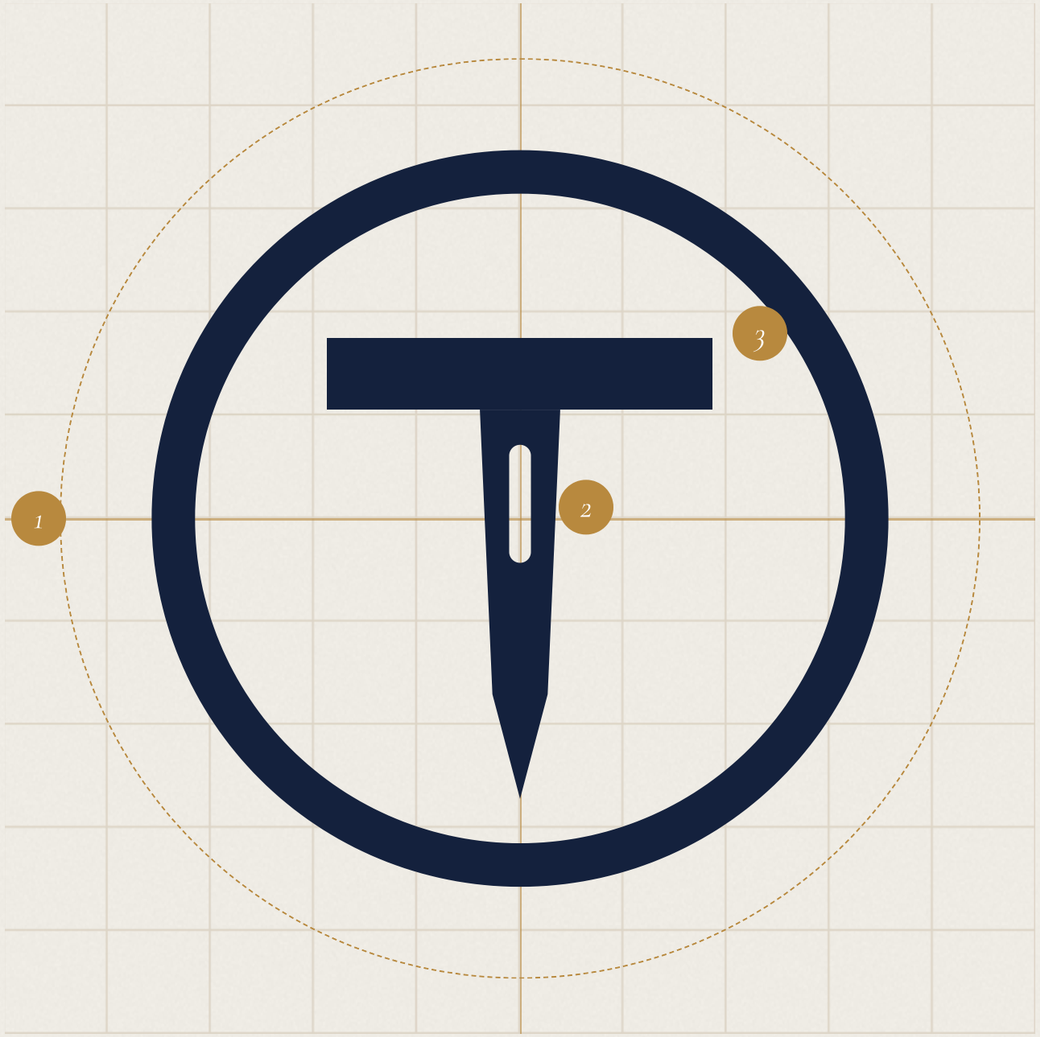

The needle

The stem is a needle, eye and point. Handwork, precision, made by people.

3

The T

Together they spell T for Tezoro, the house signature.

PRIMARY LOGO

The *signature* lockup.

Our first choice wherever there is room: shop fascia, website header, letterhead, garment bags. Navy on ivory, or ivory and champagne on navy.

LOGO SUITE

One family, *eight forms.*

Use the largest form the space allows. Every version is supplied as vector SVG and transparent PNG in navy, ivory, champagne, black and white.

Small, *never lost.*

Below these sizes, switch to the small cut (no needle eye, heavier ring), or to the monogram.

PROPORTION

Mostly quiet, *a little gold.*

Ivory and navy carry the brand. Champagne is the thread that catches the light, so keep it small: rules, logos, single words. Maroon appears only on the wedding floor.
